Families and friends, about 500, gathered in Harrisburg, Cardinal Keeler Center, for the annual Faith Bee. St. Joseph and St. Mary's students did very well. Gabriel and Maya placed in the top 10. We want to congratulate Gabriel and Maya for their efforts and thank their parents and families for supporting them. Council 3301 Knights of Columbus supports this worthy effort. We appreciate their continued interest in the youth of our parishes.

The diocese invited seventh and eighth grade students from sixty parishes, a total student population estimated to be about 2,400. At the Faith Bee, each student, representing their parish, had 15 seconds to answer their respective question. Our two students representing St. Joseph and St. Mary's along with the other finalist were responding in writing by the end of the day. The questions at the end of the day included naming the books of the old and new testaments in order.
